If given the choice between an electoral system with only two parties or one that's proportional, I would prefer a proportional system.

91% (23) 1 32 1

First-past-the-post encourages strategic voting.

95% (21) 2 29 2

I think Canada would be worse off if we had only two parties.

97% (35) 3 7 3

I want a voting system that reduces negative campaigning.

100% (12) 4 27 19

Universal suffrage (voting rights for all regardless of ethnicity or gender) is a good idea.
